As with any school trip, normal school rules apply. Students may be given free time to explore and will need to manage this as responsibly and safely as they do at school. The School also reserves the right to exclude a student from the trip if their behaviour and/or attendance is poor in school leading up to departure – this could result in a complete loss of monies as the trip will have been paid for.

What to do next:

If you would like your son/daughter to go on this trip, please complete the application form and return it to myself, Miss C Honor, with a non-refundable £130 deposit paid by ParentPay. All applications must be returned by Monday 26th November. Please be aware that as there are only a limited number of places available on the trip so places will be offered on a ballot system. There will be a reserve list for those who do not get a place initially. We will of course return deposits to any student who do not get a place.

Once all initial trip deposits have been received a parents' evening will be arranged to provide further information on the trip.

We look forward to your reply. Please do not hesitate to contact us at the school if you would like to discuss the trip further.

Yours sincerely,
