## Pontin's Residential Netball Trip

### Year 8 Report by Lucy Baross and Rachel McCullar

From 30th June to 2nd July Miss Day took Year 7 and 8 netball squads to Pontin's, Brean Sands for a netball tournament. On Saturday the Year 8 team played some very good games of netball against some very good club teams. They were unfortunate not to get through to the Cup tournament on the Sunday and so went through to play for the Plate. Their game play improved dramatically throughout the weekend and they earned themselves a well-deserved 4th place.

A special thank you to **Miss Day, Miss Marshall, Mrs Turner and Mrs Grist.**

The team was **Lucy Baross** (captain), **Rachel McCullar** (vice captain), **Jessica Tyler, Alice O'Brien, Stephanie Greenidge, Emily Bain, Elizabeth Manterfield, Yazmin Boudebza** and **Harriet Webb.**

### A message from Miss Day

I would just like to congratulate the Year 7 and 8 pupils that went to Pontin's for this tournament. They played extremely well in very hot (and at times wet) weather conditions. Their improvement over the weekend was exceptional due to their commitment, teamwork and willingness to listen and take on advice.

Their behaviour throughout the weekend was exemplary and made it a thoroughly enjoyable weekend for all involved. Looking forward to next season, well done.

Any netballers wanting to improve their skills should look to join Devizes Netball Club, training on Monday night commencing again in September.

### Year 7 Report by Hannah Sedgwick and Laura Christopher

On Saturday morning we played against some very good club teams in uncomfortable weather but continued to work hard and win a game. We didn't manage to get into the Cup so played in the Plate competition on the Sunday.

The four games on Sunday were all very close due to the improvement and experience we had all gained on the Saturday. We won one game, drew one game and only marginally lost the other 2 games, leaving our overall position as 4th.

Well done to the whole team, consisting of **Hannah Sedgwick**(captain), **Laura Christopher** (vice captain), **Sophie Thompson, Sophie Ottaway, Charlotte Wallen, Stephanie Noyes, Chloe Carlin, Katie Baross and Emily Hayter.**

## ‘THE JOURNEY’

“I do not mean to seem rude, but do you bring flowers to anyone here?” I asked, and she replied that she didn’t. I apologised for disturbing and turned to leave once again. I was partly through the door when the old woman called back to me.

“Though I do sometimes leave the church flowers on the graves of the little ones. A child’s grave is always the saddest of places...” she called. A horrible idea struck me! Isabelle hadn’t been kidnapped, she was...

I ran to Morgan and took ahold of his wrist. My heart’s beat was twice its usual speed, as fear began to course through me. I led Morgan to the childrens’ graves and searched the names. My heart skipped a beat. There before us, written in stone, was the name Isabelle Kingdon. She died one year ago, the year Morgan claimed she’d disappeared... I looked to Morgan, who shook his head in disbelief. A single silver tear trailed down his face. That moment he gave way to the demonic fury I knew he was capable of. His crimson eyes burned with hellish rage.

*Look out for the final instalment next week...*
