## DEVIZES SCHOOL

A SPORTS COLLEGE

No. 931/2007 12th January 2007

## LEGO LEAGUE COMPETITION

The Lego Club competed in the regional Lego League competition in Swindon before Christmas. We had an exciting day, reaching the final on the Robotic Missions Table and winning the Against All Odds Trophy. We were placed 6th overall position. Particular thanks to Sam Howlett for graphic animations, and Oliver Powlesland, Oliver Hector and Dayle Stewart for programming.

During the weekend of 16th/17th December, **Charlotte Giles** and **Rachel McCullar** went to France to compete for the West of England Judo Squad.

Judo in France is more popular than it is in Britain and their elite players are seen as national heroes. So the girls knew it would be very tough before they got there. They both fought extremely hard. Charlotte narrowly missed out on a medal and Rachel won bronze after losing to the eventual gold medallist.

Well done girls, maybe one day you will get the recognition you richly deserve.

PE Department

CONGRATULATIONS to **Catherine Russ** who took part in the W.A.A. Cross Country Championships at Stanley Park. She came 6th in the U15 category; this qualifies her to represent Wiltshire in the Southwest and National Inter-Counties Competitions.

PLAYING RUGBY IS FUN AND HELPS YOU IMPROVE ALL YOUR SKILLS TO HELP YOU IN ALL YOUR SPORTS

Rugby offers you a great opportunity to develop basic skills that will also help you play a range of other sports.

Swerving, jinking, side stepping, accelerating and perfect balance is used in most team-based sports and is required in Rugby too.

Devizes Rugby Club runs teams for 7 to 18 year olds, every Sunday between 10.30am and 12 noon from September to April, every year.

Come along and join in to see if you like it. If you do, you can join in and begin to develop your skills under the leadership of fully qualified and experienced coaches.

Phone Andy Smith on 10380 726449 or 07702043958 for more information.

**SUDOKU**

Fill the grid so every row, column and 3 x 3 box contains all the numbers 1 - 9.
