YEAR 11 EXAM PREPARATION

Over the next term we will be suggesting a number of ways to help Year 11 pupils prepare for their GCSE examinations.

This week, all Year 11 pupils received their Annual Reports and exam entry statements.

This week pupils should:

1. Check that they know what exams they are entered for.
2. Use a highlight pen to identify areas that need addressing contained in their annual report.
3. Write down the 5 most important points they have identified and plan to act on them.
4. Check that they have a full set of course notes and 'catch-up' any gaps.
5. Make sure that they have text books and revision guides if available for all of their courses.
6. Make sure they know when revision sessions are being held in any subjects they are studying.
