DEVIZES SCHOOL 'ASPECT'

We are very pleased to be able to continue to offer our pupils the facility of a professional counselling service. The work of the counsellor is confidential. Typical problems might include worries about schoolwork, peer relationships or difficulties in adjusting to changes in family or school life.

Pupils can be referred to the service in several ways:

- The pupils may refer themselves by completing a referral form (available in school) and passing it to the counsellor or member of staff.
- Members of staff may refer pupils.
- Parents may refer pupils.

The decision of whether or not to take up the offer of counselling is for the pupil and entirely voluntary.

The counsellor is police checked, professionally qualified and is experienced in working with children and young people.

Should any parents want to know more about this service, or have any concerns about their children accessing it, please can they contact **Mrs Barbara Smart - Assistant Headteacher.**

We feel that this service will enhance and support existing pastoral support services within school and directly benefit pupils.

Leaflets available on request and at Reception.

Please be aware of all your fixtures and let your teacher or team captain know if you are unavailable for selection that week.
