## RHIANNA WINS GOLD IN TRAMPOLINING!

**Rhianna Andrew** (Year 7) was victorious in a club International Trampolining competition in Gottenberg, Sweden on 13th October, winning Gold.

She was top of the 'Younger Youths' age group, beating 31 talented competitors from all over Europe. Rhianna felt "overjoyed" when she discovered she had won.

Her routine was extremely difficult and involved double somersaults, **NO** single jumps and was made up of 10 moves in total, including some with double twists.

She has been trampolining since she was three years old and was originally coached by her Mum, PE Teacher and Deputy Year Team Leader, Mrs Andrew.

Her most recent club is 'Evolution' in Frome, where her coach is Sarah Hunt, former double World

Champion, who felt very proud of her young protégée - especially as Rhianna was one of the youngest competitors there.

### **Well done Rhianna!**

Devizes School is delighted at your amazing achievement and we'll all watch this space for the future...

### NEW SCIENCE GCSE REVISION GUIDES NOW AVAILABLE!

As you will know, the new Science GCSE's are now in their second year with Year 10 students sitting their first module exams for the new courses on 22nd November. With this in mind, I have ordered sufficient copies of the CGP revision guides for all Year 10 students. At only £3.00 they represent excellent value and cover the entire course, including the modules examined in March and June of next year. I would hope that all students will purchase their own copy of these excellent guides - please encourage them to do so. They can be purchased from any member of the Science department.

**Mr James, KS4 Science Co-ordinator**
