29th June 2011

To all parents of New Year 7

Following Monday's New Entry Evening, I would like to clarify two issues about uniform. Skirts are to be black and knee length, not blue pleated as described during the evening. This is to make it easier for parents to buy an acceptable skirt from a variety of outlets. They do not have to be a particular style but they should be knee length and black.

Shoes for girls must conform to health and safety regulations especially in the practical subjects such as Design & Technology and Science as they need to cover the top part of the foot. Therefore this means that no 'dolly' or 'ballet' style shoes are allowed or canvas shoes of any style. Please see the photos below for examples:

Not allowed:

Allowed:

I do hope that this makes the two issues clear. As stated in the handbook, our uniform is a vital part of the school identity.

Yours sincerely

Mr M G Irons
Headteacher
