

SIXTH FORM ENTRY REQUIREMENTS

To pursue A levels you will need a minimum of 5 grade Cs at GCSE or equivalent. These grades must come from at least 4 different subjects. They will usually have to include an A*, A or B in your chosen subjects.

The normal course load is four subjects at AS dropping to three in Year 13. Some of the applied A levels can be taken as Double or Single Awards. A Double Award is the equivalent of two A levels and therefore has twice the timetable allocation.

HOW TO APPLY

1. Read the Sixth Form Prospectus carefully.
2. Talk to your teachers about the courses, your suitability for them and ensure each teacher completes a recommendation code in the subject choices table, on the next page.
3. Apply to enter Devizes Sixth Form by filling in this **application form** and sending it together with the signed **Sixth Form Contract** to:

MAKING YOUR CHOICES

Careful choices at this stage will help reduce the likelihood of having to change courses in the future. Consult both the prospectus **and** your teachers regarding the course offer below. For applied A levels, if you wish to do the Single Award you should select that option **only**. If choosing the Double Award you must select **both** options.
