Raising aspirations, building futures

27th February 2020

Dear Parents/Guardians

Please see below advice regarding the Coronavirus when travelling.

Please note that we know of no instances so far, but advise that you keep up to date with current advice (see link below for the latest advice from the Government).

https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public?gclid=EAlalQobChMIkqCbzKfs5wIVQbDtCh2Jdg53EAAYASAAEgI7P_D_BwE

Returning travellers:

Based on the scientific advice of the [Scientific Advisory Group for Emergencies \(SAGE\)](#) the UK Chief Medical Officers are advising anyone who has travelled to the UK from mainland China, Thailand, Japan, Republic of Korea, Hong Kong, Taiwan, Singapore, Malaysia or Macau in the last 14 days and is experiencing cough or fever or shortness of breath, to stay indoors and call NHS 111, even if symptoms are mild.

We are carrying out enhanced monitoring of direct flights from these areas. Passengers will be told how to report any symptoms they develop during the flight, at the time of arrival, or after leaving the airport.

These areas have been identified because of the volume of air travel from affected areas, understanding of other travel routes and number of reported cases. This list will be kept under review.

If you have returned from these specific areas since 19 February, you should call NHS 111 and stay indoors and avoid contact with other people even if you do not have symptoms:

- Iran
- specific [lockdown areas in northern Italy](#) as designated by the Government of Italy
- [‘special care zones’ in South Korea](#) as designated by the Government of the Republic of South Korea
- Hubei province (returned in the past 14 days)

If you have returned from these areas since 19 February and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS 111. You do not need to follow this advice if you have no symptoms.

- Northern Italy (anywhere north of Pisa, Florence and Rimini)
- Vietnam
- Cambodia
- Laos
- Myanmar

Kind regards
