

Pupil Premium Plan 2019 – 2020: What do Devizes School students in receipt of Pupil Premium need in order to close the achievement gap?

At Devizes School we target all of our students with minimum expectations.

These come under the following key performance indicators:

- Attendance and Punctuality – no late marks and above 95% attendance
- Behaviour – no ‘behaviour’ points for disruption to learning, no visits to the Isolation Room and no Fixed Term Exclusions
- Achievement – positive Progress 8 score
- Reading – above chronological age for reading
- Home Learning – no ‘behaviour points’ or detentions for lack of Home Learning

To align the strategies for students in receipt of Pupil Premium to our whole school foci, we have 5 HIGHLY ASPIRATIONAL Key Performance Indicators (KPIs).

Fewer than 5% of students in receipt of Pupil Premium will

- have an overall attendance of less than 90%
- be excluded from school (FTE)
- have a negative P8 score
- have a reading age below their chronological age
- be in SLT detention for failing to complete Home Learning
