Devizes School - Admissions Procedures for Year 7 September 2021

*** Please note this policy has been amended in accordance to new code of Admissions – September 2021 – all changes are made in green italic's ***

Students are admitted at age 11 without reference to ability or aptitude. The proposed admission limit of children aged 11 for the academic years commencing on **1st September 2021** will be 227. Applications must be made online at www.wiltshire.gov.uk, or by completing Wiltshire Council's Secondary Common Application Form (SCAF) and returned to **The School Admissions Team, County Hall, Trowbridge, Wiltshire, BA14 8JB** by **31 October 2020** in order to be considered in the normal admissions round.

All applications must be made through Wiltshire Council's agreed admissions scheme, outlined in brief below:

- Parents will be able to make an online application. Online applications will be made directly to County Hall, Trowbridge. If an online application has been submitted, a written application is not necessary. The online facility will be available from **1 September 2020** up until the deadline of **31 October 2020**.
- There will be a standard written application form known as the Secondary Common Application Form (SCAF). This form must be used to apply for the admission of pupils, into the first year of secondary education in the specified year, unless an online application has been submitted.
- Unless an online application has been made, the SCAF must be used as a means of expressing one or more preferences by the parent wishing to apply for a school place for their child (either within or outside the county). The child must live in Wiltshire.
- The deadline date for applications is **31 October 2020**. All completed SCAFs are to be returned directly to the LA by the deadline date. Any Secondary Common Applications Forms which are incorrectly returned to schools must be forwarded to the LA to be submitted by the deadline. Forms returned to schools and not received by the LA by **31 October 2020** will be treated as late applications.
- The LA will send out an acknowledgement of receipt for each SCAF and all online applications. Applicants will be advised to contact the LA if they have not received an acknowledgement with 15 school days of posting their paper application.
- On **1 March 2021** (National Offer Date) letters will be despatched to all parents who submitted an application form by **31 October 2020** offering a place at one school. Unsuccessful applicants will be informed by the School of their position on the waiting list.
- **15 March 2021** the deadline for parents to accept the place offered. Parents should confirm their acceptance online if they have applied online, or if they have applied by paper return the acceptance/decline slip directly to the Local Authority. If the parent does not respond to the Local Authority to confirm if they wish to accept or decline the offer by **15 March 2021**, the Local Authority will send a second letter to the parent informing them that they have seven days in which to accept or decline the place which has been offered. They will also be advised in this letter that failure to respond could result in the offer of the place being withdrawn. If there is still no response a third letter will be sent to the applicant informing them that the offer of a place has been

withdrawn. It will then be the parent's responsibility to apply for an alternative school place.

- **Second round applications**, i.e. those received between **1 November 2020** and **9 March 2021** for the YR 7 Intake round will not be considered until after all first round on time applications have been processed. Second round applications will be considered together with any applicant previously refused a place in the first round and if necessary will be prioritised using the oversubscription policy in place at the time.

Over-subscription

When applications for admission exceed the number of places available in any year group the following oversubscription criteria will be applied in the order set out below, to decide which students to admit:

A child who has a statement of special educational needs or Education, Health and Care Plan is required to be admitted to the school named on the child's statement.

1. *"looked after child" or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order (90) including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see the definition in Section 22(1) of the Children Act 1989)*

90 An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders) A "child arrangements order" is an order settling the arrangements as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a "special guardianship order" as an order appointing one or more individuals to be a child's special guardian (or special guardians)

2. Any child who has a sibling attending Devizes School at the same time as he or she is due to be admitted.
3. Children living in the civil parishes of All Cannings, Bishops Cannings, Chirton, Devizes, Etchilhampton, Roundway, Patney, Marden, Potterne, Poulshot, Rowde and Stert.
4. *Any child of a member of staff employed by The White Horse Federation for two or more year at the time of application for admission to the school is made, and/or who were recruited to fill a vacant post where there is a demonstrable skill shortage. The family unit must live within the Local Authority area for the school being applied for. This includes step children, foster children and children of co-habiting partners. (Please complete a supplementary information form available from the school)*
5. Children attending a White Horse Federation Primary school at the point of application.
6. Children other than those falling into category 1-5 above.

Tiebreaker

If there are more applicants which meet a criterion than there are places remaining, priority will be given within that criterion to children who live nearest to the school based on distances supplied by the LA and these will measure the straight line distance using the Ordnance Survey eastings and northings for the child's home address and the school. Those with the least distance will be given priority. In the event of there being equal distances the priority will be decided by castings lots (random allocation)

Late applications

All applications received by the LA after the deadline will be considered to be late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, parents may request that their child is placed on the school's waiting list.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested and the year group in which they wish their child to be allocated a place.

When such a request is made, the academy trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Principal and any supporting evidence provided by the parent.

Waiting Lists

The school will operate a waiting list. Where the school receives more applications for places than there are places available, a waiting list will operate until the end of the academic year. This will be maintained by the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Information about the appeal's procedure will be provided where a place at Melksham Oak Community School has been refused. Applicants should contact School Admissions at Wiltshire County Council at admissions@wiltshire.gov.uk

Home address:

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Sibling:

'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.

Policy on entry into the Sixth Form

Each application to the Sixth Form is considered on its individual merits, however the basic admission requirement is a minimum of 5 GCSE passes (or the equivalent) at grade 4 or above, from at least 5 subjects. Some courses also require specific GCSE/Level 2 grades; such specific course requirements are clearly stated on the relevant subject page in the Sixth Form Prospectus.

Further details are contained in the Sixth Form prospectus.
