

Can you design a sign better than this, welcoming people to Devizes?

Of course, you can!!!

Big yawn for this sign!

Devizes town council would like you to come up with a concept which sums up Devizes. Create an A4 piece of art work with a brief phrase welcoming people driving past the signs.

These will be installed on all roads entering Devizes. Your work seen and appreciated for YEARS!!!

Entries to Miss Williams by Fri 28<sup>th</sup> February please
