Raising aspirations, building futures

Our ref CES/CRT

5th June 2020

Dear Parent/Carer

We hope that you and your families are staying safe and alert in these unprecedented times we are experiencing. We are very much looking forward to welcoming your son/daughter with us in September of this year.

We would like to reassure you that plans are currently being made to ensure that there will be some form of transition for your child in preparation for starting at Devizes School in September. Due to the current situation it will be different to previous years, although it will take place in term six.

The transition from primary school to secondary school can be a daunting prospect for many children and we understand, given the current situation, children preparing to start with us in September may be feeling more anxious. We are currently working closely with local primary schools to ensure that the needs of all of the upcoming students will be met.

If your child has specific special educational needs, we would like to reassure you that these will be taken into account and addressed as part of the transition process. You will receive further information in due course.

We would like to take this opportunity to thank those parents/carers for returning the Year 7 Admission Information Form to the school and gently remind those that have not yet done so, that the school requires these to be completed and sent to the Devizes School. We thank you in advance for your co-operation with this.

We look forward to sharing our plans with you and we will contact you when these plans have been finalised.

Yours sincerely

Miss C Snelson
